

To Whom It May Concern:

Please excuse \_\_\_\_\_ from all activities after 12PM on March 7 thru March 11, 2017.

We understand the absence of \_\_\_\_\_ may cause production of this week to be at a minimum if not non-existent, however it is for a good cause. The ACC Tournament has been an institution in college athletics since 1954 and deserves the utmost attention during its 64th edition in Brooklyn.
